

## OFFICIAL STATEMENT

Aviator + LLC (registered in Republic of Georgia and owned by Adjara Group) is deeply saddened to announce, that on the morning of June 6 in Stepanstminda (the North- Eastern region of Georgia) a tragic accident occurred – the aircraft, Bell 505 Jet Ranger X, experienced a crash which cost the lives of all three people on board - pilot and two employees of the company, who were of Georgian nationality.

The aircraft left the hangar around 10:45am, operating a non-commercial flight and went down in an unpopulated area short after the takeoff.

The management of the company expresses deepest sympathies to the families and loved ones of the deceased. Aviator + is doing everything to care for those affected and will provide all the required assistance to the families.

The cause of the accident is yet to be determined by the ongoing investigation, which the company continues to support.

Our thoughts and condolences go to the families and friends.

- Aviator + is an aircraft operator, certified by the Legal Entity of Public Law – Georgian Civil Aviation Agency (GCAA) and holds certificates of international passenger and cargo transportation.
- Bell 505 was undergoing routine maintenance checks in compliance with Aircraft Maintenance Program (AMP) approved by GCAA. The latest maintenance check was conducted on May 22, 2019. The pilot was duly certified, highly trained professional, holding Airline Transport Pilot License (ATPL) with total number of over 1400 flight hours.
